The company I work for is offering a \$700 bonus for new team members, and I was wondering if you would be interested in earning some extra cash for the holidays?

THE RECRUITING SYSTEM

STEP 1

EXPOSURE

- ❖ Don't judge anyone, because you never know who they know
- ❖ Invite them to view your Business Overview Website
- ❖ Invite them to a Business Briefing
- ❖ Have them watch the Company Orientation Videos
- ❖ Send them information from the Prospect App
- ❖ Exposure is Everything!

STEP 2

FOLLOW-UP

- ❖ The FORTUNE is in the FOLLOW-UP
- ❖ Just because they are not contacting you, doesn't mean they are not interested
- ❖ If you don't follow-up someone else will
- ❖ Just because they're not interested TODAY, doesn't mean they won't be in the FUTURE

STEP 3

ENROLLMENT

- ❖ You can use your support team to help you enroll associates on your team
- ❖ Do a game plan with them, to help get them started.
- ❖ Get your new associate plugged in, paid, and promoted
- ❖ Be sure they download the apps and use their membership
- ❖ Communicate regularly
